Senior School Mathematics Teacher

St Charles College is looking to employ a suitably qualified Senior School Mathematics Teacher, who is passionate about Mathematics teaching and learning, to commence on 1 January 2025.

The College pursues its mission based on core values and our staff are expected to have integrity and exercise sound judgment in line with the responsibility of educating boys. All our staff must have an active involvement in the sport and/or extra-mural programmes of the College.

Key responsibilities include but are not limited to:

- Teaching Cambridge IGCSE, AS, and A Level Mathematics.
- Active involvement in the development of Mathematics within the Mathematics Faculty of the College.

The ideal candidate will have:

- A minimum of a BSc Degree with Mathematics as a second-year subject.
- The ability to teach Physical Science, Chemistry and/or Computer Science would be an added advantage.
- A professional teaching qualification (PGCE or HDE) or the willingness to study towards one.
- Appropriate educational experience together with a sound awareness of international trends in education.
- Knowledge of the educational needs of boys and their particular requirements for learning.
- Excellent interpersonal, written, and oral communication skills and sound administrative ability.
- The ability to work within the values, Christian ethos, and mission of the College.
- Capacity and willingness to accompany boys on extension trips.
